	 Additional Director of Medical and Rural Health Services (TM) i/c. & State TB Officer.
Copy to	DDMS(TB) Villupuram DDMS(TB) Thiruvannamalai They are requested to extend their - cooperation for conduct of the above study

4. PG – DISSERTATION GUIDED

- ✚ A study to assess the effectiveness of self instructional discharge module on knowledge regarding life style modification and prevention of complications among patients with first line cardiac problems at selected hospital, Villupuram. - 2022
- ✚ A study to evaluate the effectiveness of informational booklet on knowledge regarding self care management among hemodialysis patients at selected hospital in Villupuram District - 2022
- ✚ A study to assess the effectiveness of informational package on knowledge regarding early postoperative recovery among patient undergoing major abdominal surgery at selected hospital Villupuram. - 2022
- ✚ A study to Determine the Quality of Life and to Assess the Effectiveness of Nurse Instructional Package on Self Care Management among Type - 2 Diabetes Mellitus Patients at Selected Hospital, Villupuram – 2021.
- ✚ A Study to Determine the Effectiveness of Nursing Care Package on Dyspnea and Health Promotion among Patients with Chronic Obstructive

Pulmonary Disease at Selected Hospital, Villupuram – 2021.

- ✚ A Study to Assess the Effectiveness of Nurse LED Rehabilitation Programme on quality of Life and Self Esteem among Patients with Chronic Renal Failure attending Haemodialysis Unit at Selected Hospital Villupuram – 2021.
- ✚ Effectiveness of Video assisted Teaching on Knowledge regarding selected Chronic Diseases related to aging and disease Prevention among Elderly in Selected Slum are, Villupuram – 2021.
- ✚ Effectiveness of Comprehensive Educational Package on Knowledge regarding Promotion of Health and Prevention of Complication among Hypertensive Patient at selected Hospital, Villupuram, Tamilnadu – 2020.
- ✚ Effectiveness of Nursing Interventional Package on Physiological Parameters among Patients with Chronic Respiratory Illness in Selected Hospitals at Villupuram District, Villupuram – 2020.
- ✚ Effectiveness of Modified Early Warning System upon Knowledge on Early Identification of deteriorating Patients among Staff Nurses Working in selected Hospital, Villupuram district, Tamilnadu – 2020.
- ✚ A Study to Assess the Effectiveness of Hot Water Foot Bath Therapy on Quality of Sleep among Elderly Staying in Selected Old age Home at Villupuram – 2019.
- ✚ Effectiveness of Burger Allen exercise to prevent risk of diabetic foot by improving Lower extremity Perfusion among Clients with Type-2 Diabetes mellitus in selected hospital at Villupuram Distirct, Tamilnadu – 2017.
- ✚ A study to assess the Effectiveness of Structured Teaching programme in Knowledge regarding prevention of Post Operative Complication among Patient with Heart Valve Replacement Surgery at selected Hospital in Vijayawada, AP – 2013.
- ✚ A study to assess the Effectiveness of Structured Teaching Programme on knowledge regarding Prevention of Diabetic Foot Ulcer among Diabetic

patients at selected hospital, Bhadrachalam, AP – 2013.

5. UG PROJECT GUIDED

- ✚ A Study to assess the effectiveness of Informational Socio Drama on Knowledge regarding Worm Infestation and its Prevention among Mothers of Under five Children in selected Rural area, Villupuram district – 2020.
- ✚ A study to assess the effectiveness of Video Assisted Teaching on Knowledge regarding Prevention and management of selected health problems among Elderly residing at selected village in Villupuram District – 2020.
- ✚ A study to assess the effectiveness of flash card teaching on knowledge regarding prevention of short term complication among patient with Diabetes Mellitus at selected Hospital, Villupuram – 2020.
- ✚ A study to assess the Structured educational Programme on Knowledge regarding care of Patients on Mechanical Ventilator among B.Sc Nursing III year students at selected college of nursing, Villupuram – 2020.
- ✚ Effectiveness of Structured Teaching Programme on knowledge regarding Bio-Medical Waste Management among G.N.M Students in selected School of Nursing- 2020.
- ✚ A study to assess the effectiveness of structured Teaching programme on knowledge regarding Growth and development of children (0-5years) among rural mothers at selected village, Villupuram.
- ✚ A Study to assess the co-relation between Selfie and the level of self esteem among adolescents at selected settings in Villupuram District – 2019.
- ✚ A Study to assess the effectiveness of structured teaching programme on knowledge regarding post Dialysis Home Care among caregivers of chronic Renal failure patients undergoing Hemodialysis at selected hospital, Villupuram – 2019.

- ✚ A Study to assess the effectiveness of Child to Child teaching on Oral Hygiene among primary School Children at selected school, Villupuram – 2019.
- ✚ A Study to Assess the Quality of Life & Self esteem among Pulmonary TB Patient at Selected TB centre in Villupuram district with a view to develop self instructional module (SIM) on life style modification – 2019.
- ✚ A study to assess the Effectiveness of structure teaching programme on knowledge of high school students regarding hazards of plastic use at Selected schools, Villupuram – 2019.
- ✚ A study to assess the prevalence of premenstrual syndrome among GNM students at Es College of Nursing, Villupuram – 2018.
- ✚ A study to assess the effectiveness of Video Assisted Teaching programme regarding knowledge on fast food and its hazards among adolescents in selected school at Villupuram District – 2018.
- ✚ A study to determine the level of knowledge regarding weaning among mothers of infant in selected areas at Villupuram District – 2018.
- ✚ A study to assess the effectiveness of Flash Card Teaching on knowledge regarding Home care management of Tracheostomy among 3 rd year b.sc nursing students in E.S College of Nursing, Villupuram – 2017.
- ✚ A study to assess the effectiveness of Computer Assisted Teaching programme on knowledge regarding adverse effects of electronic gadgets among adolescents in E.S College of nursing, Villupuram.
